Hi Colleagues,

An opportunity to grow within the company has arisen.

Job title: Technician

Location: Goscor Earthmoving Equipment – Cape Town

Commencement: ASAP

The Purpose of this Position

The successful candidate will service, assemble, maintain, and repair all types of Bobcat & SANY earthmoving Equipment.

Duties but not limited to the following:

- To carry out routine servicing, maintenance & repairs of Bobcat/SANY equipment according to OEM specifications.
- To be able to work with limited supervision.
- Complete the necessary job cards, timesheets and inspection reports including machine downloads & Photo's
- To have a sound knowledge of hydraulic systems and their basic principles as well as being able to read schematics.
- To be able to diagnose and repair faults in diesel engines, hydraulic systems and/or electrical / Electronic systems.
- Assist in the repair and overhaul of other various components / assemblies on earthmoving equipment.
- Have the ability to carry out equipment repair assessments and complete the relative paperwork thereof.
- Ensure personal and co-workers' adherence and compliance to security and the Company's SHE objectives.
- Be willing to work overtime, standby and be available for call outs as and when required.

Qualifications and Level of Experience Required:

- Trade test qualification (red seal) a must.
- At least 5 years' experience in the earthmoving industry.
- Ability to read and understand schematics.
- Must be prepared to travel.
- Highly motivated hard-working person and must be able to liaise with customers.
- Must be able to read and write English.
- Must be familiar with hydraulic pumps, drive motors, hydro-static transmissions, hoses, cylinders, engines, drive trains and basic electrics.
- Must have good people skills
- Must have a technical aptitude.
- Must have a valid Driver's license
- Computer literacy would be an added advantage
